Volunteers are needed to assist with free tax preparation for individuals claiming the Earned Income Tax Credit (EITC).

Volunteering is easy. Just complete the free IRS Volunteer Income Tax Assistance (VITA) certification program - in the classroom or [online](#), then volunteer!

Tax preparation sites will be open from January through April of 2006, with flexible hours to suit any schedule. To learn about volunteer opportunities, contact Glenn Stratton (804) 726-7412, Carolyn Spohrer (804) 644-0417, or e-mail: eitcvolunteer@vacap.org
